CHRISTMAS TREE WHITE WITH GOLD LEAF

\$270

DESCRIPTION

This stunning white Christmas tree is handmade using traditional century-old Murano glassblowing techniques. The white "incamiciato" crystal glass and the delicate gold bubbles caught inside the ridged vertical lines are sophisticated details with stunning visual impact. Resting atop a mouth-blown gold-leaf base, this incredible glass sculpture of alluring, ethereal quality adds a touch of class to any household decor. Designed by maestro Matteo Tagliapietra.
