Falegnameria Salvatore Spano

CHROMA CORTEN MEDIUM SIDEBOARD

\$8,070

DESCRIPTION

This unique design will be both a striking decoration and a practical storage space in a modern home. Entirely handcrafted, this sideboard has a central body made up of seven layers of tanganyika wood lacquered with a water-based varnish and front slats in tanganyika covered in Corten 15/10 foil that is cold-bent with no welding and treated with a protective beeswax treatment. The standout element of the piece is the top and sides cover made of reclaimed solid wood 38mm thick. Due to its handcrafted nature, each sideboard is different and can be customized in size and color.
