## CHROMA OPEN CUPBOARD

\$5,270

### DESCRIPTION

Exuding a stylish mid-century allure with a unique flair, this open cupboard is a chic and practical addition to a modern entryway, living room, or dining room. The structure is composed of reclaimed solid wood slats (25-mm thick) glued together with a complex process that creates an exceptionally sturdy and colorful piece. The slanted legs are fashioned of ash wood. Due to the material used and the handmade process employed to craft this cupboard, each creation is unique and can be customized upon request in dimensions and colors, please ask the Concierge for details.
