ED047 CHROME FLOOR LAMP WITH WHITE BASE

\$4,375

DESCRIPTION

Modern and essential yet graceful and stylish, this floor lamp is composed of a white stone base in a conical shape supporting a chrome-finished pole structure with three, frosted LED light tubes arranged at different heights and held horizontally with black wires. Adding a contemporary and sculptural touch to a living room, entryway or office decor, this design takes inspiration from the main masts of sailing boat, here rendered in a striking geometrical design that will make a statement in any interior. Available also in brass with white or black base.
