CI DINING TABLE IN GOLD CALACATTA MARBLE

\$7,680

DESCRIPTION

Part of the Ci collection, this dining table is distinctive for the exquisite care for details and the refined and luxurious accent that will add to any modern or contemporary decor. The metal base is round and divided in three parts, one of which runs vertically to the top, while the others are cut open to give a sense of lightness and a bold character to the piece. The top is a stunning beveled slab of Gold Calacatta with a glossy finish. Also available in Brown Emperador, Stardust, Brown Damasco and with a matte finish, this top is extremely light and opulent.
