CIELO ROSSO WALLPAPER

\$720

DESCRIPTION

The title of this stunning wallpaper means "red sky" in Italian and is painted by hand on silk using traditional oil painting techniques, like a large 19th-century canvas. The design, boasting different vivid shades of red, is inspired by blooming trees in spring and is highlighted with brushstrokes in gold powder. The stylized, abstract technique suggests a majestic ambiance where nature triumphs. The design is developed over three 100 x 300 cm sheets. A technical drawing with instructions is available to help during the hanging phase. Price is per square meter.
