## CIGARE TABLE LAMP BY FILIPPO NASON

\$980

### DESCRIPTION

When Venetian glassblowing artistry meets contemporary design, the polished table lamp by Filippo Nason comes to life. Its cylindrical silhouette comprises an element of opaline white glass that tops the one of transparent glass beneath, both graced by the minute "balloton" texture. The light source housed within will create stunning reflections onto the glass for a unique ambiance. Other color customization options and US-compatible wiring are available on request to the Concierge.
