CILLO SATIN GOLD CEILING LAMP

\$190

DESCRIPTION

Part of the Cillo Collection, this minimalist and striking ceiling lamp combines simple design and dynamic details for a unique effect, both off and when lit. Either displayed alone or with the others in the same series for a striking effect, this piece will make a statement. From the metal ceiling rose hang two yellow-colored textile wires supporting the brass bulb holder. The bulb itself (included) is a bumped 125 5W LED dim 2000K 250LM. The classic II IP20. The voltage of the lamp is 220-240V/50Hz (max 12W LED E27), and the wire is 150 cm long. For 110V bulbs not included.
