OMAGGIO A MORANDI SCULPTURE IN CIPOLLINO MARBLE

\$565

DESCRIPTION

Designer Elisa Ossino, inspired by her time with Salvatori, has drawn upon the simplicity of Morandi's still life images, reproducing them in spectacular marble. From the pure elegance of Bianco Carrara and Botticino to the intense character of Cipollino and Rosso Collemantina the collection brings together marble varieties used in some of Italy's most iconic architecture.
