## CIRCLE II VASE

\$2,090

### DESCRIPTION

Part of the Circle series, this vase is entirely made of ceramics and is comprised of a conical yellow plinth base supporting a cylinder. A black rim runs just below the mouth of the piece, while three parallel rows of black circles adorn its body, strikingly complementing the textured orange paint of the background. Traditional craftsmanship and contemporary sensibility meet in this unique piece that will be a modern decorative accent in any room.
