CIRCLE VASE

\$740

DESCRIPTION

Decorative ceramics vase made with the Naked Raku and Raku technique. The vase is created by a press mold technique and then finished off on the wheel to give a nice and smooth touch. A Raku medium-size-crackle turquoise/copper glaze is applied inside the vase. The surface outside is not glazed so guarantee a natural look. A copper raku glaze is applied to the foot. A watertight cylinder is created to insert inside the vase, so the Raku vase become also functional.
