CITRINE TABLE LAMP WITH WHITE SHADE

\$2,610

DESCRIPTION

Having this jewel displayed in your home will immediately elevate the interior and ambiance of any room. The body of this exquisite lamp is crafted entirely from a hand-cut natural piece of Thermo Diffuse Citrine. The creamy white shade reflects the light gently downwards through the stone allowing all of its precious inclusions to be highlighted. Citrine is a powerful stone known to help in the promotion of personal success. This work of art is mounted on top of a nickel plated brass base whose dimensions can be adjusted based on the needs of the client.
