CL2029 TABLE LAMP

\$4,650

DESCRIPTION

This hand-crafted lamp is a work of exemplary quality that will perfectly complement a modern or classic decor when placed on a table in a home study or office. Its unique shade was constructed using two panels of curved straw in an elegant ivory shade. Its central structure bears a unique sinuous diamond shape crafted in metal with a hand-applied engraved texture and completed with golden brass accents. Its rectangular squared base was crafted in natural wood with a black lacquer.
