### CL1842 IVORY MAJOLICA LAMP WITH LACE-LIKE DESIGN

\$4,450

#### DESCRIPTION

This delicate majolica lamp with chromed brass details is quite unique. Its minimalistic ivory taffeta lampshade provides a stimulating contrast to the shabby chic, lace-like design of the body, entirely crafted and glazed by hand. The shiny black lacquered wooden base echoes the thin black stripe at the bottom of the lampshade, enhancing the timeless, elegant look of this piece.
