Sigma L2

CL1922 TABLE LAMP

\$2,950

DESCRIPTION

This piece will be an exemplary addition to a living room or bedroom. Its central body was crafted by hand in majolica on a lathe and was then lacquered by hand in a delicate ivory shade. The wooden base features a black lacquered finish and chromed brass details. The ivory shade is in satin with a gold interior which reflects the light for a striking effect. The ivory and black combination will add sophisticated touch to a home or office. Upholstered and hand-enameled vaulted table lamp in ivory.
