LIGHTING : TABLE LAMPS

Sigma L2

CL2031 TABLE LAMP

\$8,840

DESCRIPTION

This lamp features a unique central structure featuring a Z shape, crafted using a brushed brass element as the base topped with a central cylindrical crystal element, which was hand-engraved, containing the light. The details are also in brushed brass. The elegant shade is in a rich black hue and its interior is adorned with a gold finish that reflects the light and makes for a striking visual effect. This piece will be a perfect addition to a home, office, or public space.
