CLARA HANGING ARMCHAIR

\$22,225

DESCRIPTION

Admiring the view while pleasantly nestled in a rocking armchair defines this design by Galbiati Fratelli. Playfully recalling an egg's shell and consisting of multiple rings, it dangles from a two-piece sturdy curved structure attached to a disk-shaped base, giving comfort with the cushions, all included. The stainless steel structure ensures safe outdoor use be in in a modern garden, pool area, or terrace.
