## CLARINETTO VASE BY UGO LA PIETRA

\$310

### DESCRIPTION

This bold piece of decor was designed by Ugo La Pietra as part of the Vasi Flautati Collection inspired by the elegant silhouette of wind instruments. This ceramic vase, inspired by the clarinet, features a sleek cylindrical design with four curvy elements accented by a delicate band and a conical base. Handcrafted by ceramic artist Sandro Da Boit in Florence of white ceramic with a hand-glazed glossy finish ceramic, this vase is available also in black. The simple design and the monochromatic look make for a statement piece in any decor.
