## CLASS RECTANGULAR COFFEE TABLE

\$2,520

### DESCRIPTION

The sophisticated design of this tall coffee table evokes ancient Roman and Etruscan furniture, with their slender metal structures and harmonious proportions. The table's forged iron elements create a net of delicate lines adorned with rings at bottom and joints. The crystal top is mounted within the structure and will be a magnificent display surface in any living room. This piece is best paired with the Class Square Coffee Table for a cohesive visual effect.
