Bragagnolo Argenti

CLASSIC DECANTER

\$210

DESCRIPTION

Dominated by sinuous lines and harmonious proportions, this exceptionally crafted decanter is silver-plated with a subtle hand-hammered finish. The classic shape features a flared, slanted spout designed for smoothly pouring and efficient aeration of both red and white wines before serving. The interior is lined in gold to maintain the optimum temperature and fully display the wine's bouquet. Modern and versatile, this decanter holds 0.5 liters and can be showcased with the glasses of the same collection for a cohesive visual effect.
