## CLASSIC MOOR SCULPTURE

\$260

### DESCRIPTION

This elegant piece is Alessandro Iudici's interpretation of a traditional Sicilian Moor sculpture. Part of the Moorish artistic heritage following the Arab's conquest in the 9th century, this sculptural piece is a homage to Sicily's rich cultural diversity and vibrant colors. The piece is crafted of ceramic with crown and fruit made with a mold technique, while the vibrant colors and striking features of the man are painted by hand. This one-of-a-kind piece that will be the focal point of a display on a console, mantelpiece, or bookcase in any elegant home.
