CLAUDE COFFEE TABLE N.1

\$5,710

DESCRIPTION

This superb coffee table is part of the Claude Collection, honoring the vibrant masterpieces by impressionist painter Claude Monet, particularly its Water Lilies series. Ethereal yet sturdy with an organic quality, this coffee table can be displayed alone or combined with the others in the same series for a cohesive look, both in a modern and a classic interior. It boasts a metal base with a galvanic finish in glossy gold that supports a fragment of water surface rendered in a soft color of Botanic Green marble.
