CLAY BLACK CEILING LAMP

\$2,780

DESCRIPTION

A stunning conceptual work that reveals the bare essence of a light source, this ceiling lamp is part of the Clay collection. It was crafted entirely of metal with a black matte lacquer that enhances its rigorous geometric silhouette. Two open rectangular frames are built around a cylindrical shade where the integrated LED 4.5W 3000K 40° light is placed. Either alone to add a striking textured decoration to a monochromatic room, or combined with the other pieces of the same series, this lamp will not go unnoticed.

DETAILS & DIMENSIONS

- Material: Metal
- Dimensions (in): W 8.66 x D 8.66 x H 11.81
- Dimensions (cm): W 22 x D 22 x H 30
- Handmade In Italy
