CLEAR DINAMO FACETED CUBE LIGHT

\$360

DESCRIPTION

This suspended light features a unique and innovative shade constructed from mouth blown Venetian glass in the shape of a faceted cube. The different facets each catch the light producing interesting reflections and illuminating the space. This piece was designed in the European avant-guards style and is perfect for a contemporary decor. This piece comes complete with a black silk cord for suspending, and brushed natural brass hardware. The light source is a 60W Edison screw bulb.
