CLEAR EXTRACOLOR MEDIUM VASE BY GAETANO PESCE

\$440

DESCRIPTION

The top part of this vase is in transparent aqua resin, creating a see-through effect, revealing the inner markings of the lower body's opaque turquoise surface, defined by its asymmetrical top edge. The result is surprising and fascinating. The item rests on whimsical orange legs that resemble feet. Handmade in Italy. Each piece is handmade so colors may differ slightly from the image shown.
