**CLEAR SPECIAL SMALL BLUE AND RED VASE**

\$290

## DESCRIPTION

A striking piece of functional decor, this vase will make a colorful statement in a contemporary home, thanks to its distinctive silhouette and contrasting hues. This piece was designed in 1995 by Gaetano Pesce for the Fish Design collection and features an irregular bowl in vivid blue, supported on three sides and balanced by thick strings that seem to have frozen as soon as they were poured. Entirely crafted of soft resin, this piece can be displayed with others by the same designer for a dynamic effect. Each piece is handmade so colors may differ slightly from the image shown.
