### CLESSIDRA 2-LIGHT WHITE WALL LAMP BY MATTEO ZORZENONI

\$745

#### DESCRIPTION

A stunning addition to any room in a modern home, this wall lamp can be paired with a twin to flank a mirror in an entryway or powder room, or provide a functional and decorative accent in a hallway or living room. The structure in metal with a white opaque finish is in the shape of an hourglass, "clessidra" in Italian, which gives the name to this collection. The central element is in glossy brass. The two LED lights, shining up and down are one BOARD 5W 3000K and one BOARD 10W 3000K. Upon request is possible to have a matte black finish for the metal - please ask the Concierge for details.
