CLESSIDRA VASE PINK AND TURQUOISE

\$440

DESCRIPTION

Designed by Mauro Fabbro, this vase is a modern representation of the classic hourglass shape, featuring horizontal and vertical lines combined with the bi-color decoration to convey a sense of balance. Made entirely by hand of half refractory white fire clay using traditional techniques, this exclusive piece was hand decorated with pink and turquoise enamels and glazed in glossy finish through double firing at 980° C. This stunning object will give a unique appeal to any decor with its elegantly angled silhouette and delicate color combination.
