COLOROPHILLA GOLD CHAIR BY FERRUCCIO LAVIANI

\$2,080

DESCRIPTION

This elegant chair is directly inspired by the grace and elegance of plants, creating an eclectic look that will add unique charm to a modern dining room. The structure of this piece is in wood, elegantly textured to recall the stem of a flower. The curved legs and armrests connect to fuse with the stunning backrest, composed of three leaves, all made of carved wood. The entire piece is finished in gold with an upholstered seat cushion that features a print of green leaves. This chair is also available with a silver finish, please ask the Concierge for details.
