CASARIALTO ATELIER CLOUDS MIRROR TRAY BY GIOVANNI SIMIONATO

\$430

DESCRIPTION

Wood oval tray with mirror clouds. This wood tray with cloud details skillfully cut out by our artisans, a mix of antique and modern styles. These kinds of motifs do not usually belong to the Venetian tradition, they are a modern and funny accent introduced to create a harmonious blend of traditions and inspirations. Wood tray is the result of inlay work. Each part is matched together without any glue. Hand-engraved and gold-finished vein details.
