CLOWN CON GIRASOLE POLYCHROME GLASS SCULPTURE

\$4,540

DESCRIPTION

This exquisite small sculpture mouth-blown by expert artisans from Murano glass will infuse a light-hearted and playful allure in any decor. Enlivened with a triumph of assorted hues, it depicts a cheerful clown holding an extraordinarily-giant sunflower in his hand. Its striking polychrome look is accented with shimmering details in gold leaf. Each piece is entirely unique and signed by the artisan.
