CLUB CHAIR WITH PINK QUARTZ

\$9,450

DESCRIPTION

This elegant piece is comfortable and ideal for lounging in the comfort of one's own home, and sophisticated enough to be placed in a professional setting. Soft white leather covers the nickel-plated brass structure lining this piece. Two accents in Brazilian rose quartz highlight the ends of each armrest. The unexpected combination of these contrasting natural materials produces a striking effect. Every part of this piece was crafted by hand.
