Vincenzo Cutugno

COBALT BLUE VASE #6

\$550

DESCRIPTION

Sitting perfectly in any decor, this porcelain vase will make an elegant statement on a console or side table, either alone or paired with others from the same designer with dynamic graphic patterns. This piece is handcrafted with the slab technique, whereby a rectangular slab of porcelain is rolled onto a cylindrical mold to create a perfectly smooth shape. Bright cobalt-blue circles connected in the center by a gold band on a crisp white background finish this refined piece that will stand out in a modern and coastal-inspired interior.
