## COBALT VIDE POCHE WITH WHITE HORSE

\$150

### DESCRIPTION

This vide poche of the Passamaneria Collection effortlessly captures the elegance of horses. Exquisitely painted by hand in minute details onto fine porcelain, this piece serves beautifully as pocket emptier on a console table or vanity top. The statuesque equestrian motif features a Middle Eastern-inspired turquoise saddle and tack standing out against the horse's white hide. The flared, cobalt -hued border completes the piece.
