COBRA CANE

\$465

DESCRIPTION

A sinuous handgrip in sterling silver resembling the head a cobra is the eye-catching element of this exclusive walking stick, making it unmissable for any canes' collection. Handcrafted according to traditional methods, this piece comprises a hand-applied tip in bovine horn and a conical black-lacquered shaft in beechwood with a polished finish that is also available in a brown color variant. Unadvisable for support, this refined walking stick is delivered in a gift box.
