Zanetto

COCCIO CACHEPOT

\$185

DESCRIPTION

This pot holder is formed from a brass slab expertly crafted through a master artisan turning work. It is decorated with a hand-hammered finish along its outer surface, thus adding a striking texture that makes each piece entirely one-of-a-kind. Polished and protected with a special varnish, this joyful cachepot will enrich a modern or traditional home, especially when paired with the Davanzale Window Box.
