## COCKATOOS ON A TREE SCULPTURE

\$29,870

### DESCRIPTION

This stunning decorative object was handcrafted of a solid piece of Murano glass and will be an exquisite, colorful statement in an entryway or living room. The clear, tree-shaped structure of the sculpture is a light and dynamic base for a whimsical decoration comprising leaves, flowers, and five cockatoo birds perched on the branches, boasting a white and pink plumage and vivid yellow crests. A celebration of masterful craftsmanship, this piece was designed exclusively for Artemest's "Stranger Pinks" event for the Fuorisalone at Milan Design Week 2018.
