COCOA BOWL

\$610

DESCRIPTION

The smooth internal surface of this exquisite bowl contrasts with the striking texture of its exterior, adorned with a series of raised elongated diamonds that give dynamism to the piece. Made entirely of ceramics with a sophisticated glossy silver finish, this bowl can be a striking centerpiece on a dining or coffee table, or in an entryway. Either alone or combined with other pieces from the same Cocoa collection, this bowl will be an eye-catching addition to any decor. Color and decorations can be changed, please consult the concierge.
