COCOA VASE

\$485

DESCRIPTION

The striking texture of this exquisite ceramic vase evokes a series of cocoa beans and creates a dynamic effect on its surface, enhanced by a glossy silver finish. This vase, resting on a small plinth base, will be a statement piece in an entryway, a living room, even a bedroom and can be displayed alone or paired with the other pieces from the same series. Different colors and decorations are available, please ask the concierge for details.
