COCOON SIDEBOARD

\$15,040

DESCRIPTION

Refined and stately, this elegant sideboard features a rectangular silhouette framed with inlaid veneer in an elegant gray color supported by four conical feet accented with metal ferrules in a warm brass finish. The beige-colored central body has four doors and features an eye-catching decoration with fluted shafts, which is the trademark feature of the Cocoon collection. The leather handles on the top front panels add an elegant and modern touch to this piece, which is best showcased in an entryway or dining room, where it will infuse the decor with understated elegance.
