COCOON TALL GLASS CABINET

\$18,415

DESCRIPTION

A remarkable union of expert craftsmanship and innovative aesthetic, this unique cabinet exudes elegance and sophistication. Standing on four conical wood feet with a gray finish, the lacquered beige wood cabinet features a sophisticated pattern with fluted shafts and two glass doors with etched vertical stripes. Internally, the piece has three glass shelves enhanced by the gray finish and recessed lights. An effortless piece of uncommon lightness and visual balance, this cabinet will shine in any living room, dining room, or study.
