COFFEE VENETIAN GLASS TABLE LAMP

\$4,740

DESCRIPTION

This sophisticated table lamp mixes the traditional techniques of mouth-blown Murano glass manufacturing with a modern sensibility to create a piece that will enliven any decor, thanks to its dynamic silhouette and exquisite craftsmanship. The brushed and lacquered base and vertical structure have a gold finish and support lights placed within three horn-like elements in Venetian glass with an elegant coffee-colored shade. Either alone or paired with the Coffee Venetian Glass Rectangular Chandelier, this piece will make a statement. Different shapes, sizes, and colors upon request.
