**COFFEE TABLE BY G. FALLABRINI E V. DIANI #2**

\$5,795

## DESCRIPTION

Part of the GF series of sculptural tables fashioned of prized green and white marbles, this round coffee table seduces with its unpredictable trceries implying the uniqueness of each piece. Perfectly interlocking elements make up the whole silhouette, including the orthogonal, shaped volumes that intersect the central top and outline a practical storage compartment completed by an upper top for displaying floral compositions or candles.
