COFFEE TABLE WITH BLACK AND GOLD MARBLE

\$9,590

DESCRIPTION

Meticulously designed by expert craftsmen, this table is characterized by balanced forms and prized materials. Fashioned of black and gold marble, the bold rectangular top is encased in an iron rim and supported by tapered legs in solid dark rosewood. Two intersecting iron rods create an X-shaped base, connecting the legs for structural support and aesthetic flair. This stunning combination of materials and colors will be a dramatic touch to any minimalist or traditional decor.
