COLAPESCE CONCHIGLIE DECORATIVE PLATE #1

\$210

DESCRIPTION

Exquisite craftsmanship and local popular legends merge in this superb decorative plate from the Colapesce Collection fashioned of top-quality red clay. Inspired by a suggestive popular legend of a half-man half-fish boy who sacrificed his own life for the survival of Sicily, this plate flaunts a hand-painted motif of four big shells surrounding a circle and rendered in fine details on a blue background. A luminous white rim completes the design.
