### DESCRIPTION

A statement piece in any dining or living room, this design by Italian architect Davide Rizzo in collaboration with AVD combines noble materials in a vintage-inspired silhouette enhanced by sophisticated details. Raised on black, nickel-finished legs, this elegant bar cabinet has a natural raffia construction with black mirror panels and two doors. Inside, a striking back pink mirror enhances the warm tones of the walnut shelves (the central has also a drawer) while adding a bright, colorful touch.
