02.03 COLLECTION PINK WRITING DESK

\$14,190

DESCRIPTION

Born from a collaboration with Italian designer Davide Rizzo who curated a glamorous 3-piece collection of sophisticated pieces in collaboration with AVD, this desk redefines the 1970s vibe with a unique waterfall design that will blend seamlessly into any decor. The natural raffia construction is enriched with a central mirror section in a modern shade of pink with a hidden front drawer made of walnut and a black nickel decorative accent on one side. A perfect combination of noble materials, this desk will be a statement piece in a private studio or as a contemporary vanity table in a bedroom.
