COMEUANDO FUORIPIOVE PLAYING CARDS

\$80

DESCRIPTION

The essential companion to the Comequandofuoripiove marble case, this deck of 54 French playing cards was printed in Italy on duplex paper by Modiano, the iconic Italian brand leader in the paper printing and playing cards manufacturing. A simple tear-shaped pattern in gray with the Studio Lievito lettering adorning the back of the cards that feature a playful graphic design with a disappearing sequence of three images of the seed.
