**COMO LARGE ROUND BASKET IN BLACK LEATHER**

\$2,620

## DESCRIPTION

Part of the Como Collection of baskets entirely handcrafted of soft saddle leather in classic colors, this is a refined storage solution that can be used anywhere in the house. Its round shape features rectangular cut-out handles and an eye-catching hand-woven trim around the border in natural wicker that creates a striking contrast with the black color of the leather. Mixed with the other pieces of the collection, this basket is a superb way to store miscellaneous items in the bedroom, living room or bathroom.
