## COMPOSIT WHITE SOFA

\$9,990

### DESCRIPTION

Generously sized and sophisticated, this sofa strikes a balance between design and functionality, boldly complementing a minimalist or mid-century living room. Upholstered in white fabric (M75/01), the wood and poplar plywood frame with polyurethane padding is raised on polished aluminum feet and features low armrests and a bold seat and back cushions with down filling on high-strength, elastic band webbing. The silhouette is available in three different depths with high, low, wide, or narrow armrests for fully customizable and comfortable seating solutions. Decorative pillows not included.
